VETERINARY FEED SUPPLEMENTS

SN	PRODUCT NAME	SPECIFICATIONS	INGREDIENTS	BENEFITS	PACKING	SHIPPER	MRP
1	CALVITAX POWDER	(best alternative to oral liquid calcium), A blend of highly bioavailable sources of calcium, and phosphorus fortified with yeast, vitamins and amino acids	Calcium, Phosphorus, Vitamin-D3, Fortified with yeast and essential Amino Acids and, Microminerals	Easy to administer, Calcium for high milk production Organic source of minerals resulting in higher bio availability. Economical for dairy farmer	1 kg (Aluminium)	1 X 15 Pcs	550
2	CALVITAX GOLD	(liquid cattle and poultry feed supplement) Double Strength Minerals, Milk Boosting Vitamins and Carbohydrate Enriched with Ayurvedic Herbs	Calcium; Phosphorus; Vitamin D3; Vitamin B12; Vitamin A; Vitamin E; Vitamin H; Zinc; Copper; Potassium Iodate; Niacinamide; L-Lysine; Satawari; Jewanti; Ecalipta Alba.; Carbohydrate	Better growth, Increased Milk Production. Healthy Pregnancy, Better Udder Development	1 liter (Plastic)	1 x 12 pcs	299
					5 liter (Plastic)	1 x 2 pcs	790
3	FAT RAY POWDER	(improves fat & increases milk yield) Balanced Cattle Feed Supplement for increasing milk production	Vitamin A; Vitamin D3; Vitamin E; Biotin with essential Macro & trace Minerals; E6 Zinc (Heptahydrated Zinc Glycinate); E5 Manganese (Hydrated Manganese Glycinate); E4 Copper (Cupric Methionate); Bypass Fat; Rumen Protected Choline Chloride	Improved fertility, To overcome Anoestrus, Increase Milk yield, Silent heat & Repeat Breeding, Improved udder health, Prevention & control mastitis, Improved hoof health	1 kg (Aluminium)	1 x 15 pcs	350
4	LIVRAY	(the saviour of liver) Protects the Liver Against various Hepto Toxins Promotes Appetite and growth	Ferrous Gluconate; Ferrous Chloride; Riboflavine; Thiamine Hydrochloride; Nicotinic Acid; Nicotinamide; Calcium Lactate; Yeast extract; Liver fraction	Better Digestion, Improved feed intake Better growth, Stimulates & strengthens nervous system Clears toxins from body to promote healthy hepatobiliary system Provides natural source of iron to alleviate pernicious anemia	500 ml (Plastic)	1 x 24 pcs	140
					1 liter (Plastic)	1 x 12 pcs	300
					5 liter (Plastic)	1 x 2 pcs	1000
5	MILK MORE PLUS POWDER	(improves fat & increases milk yield), Balanced Cattle Feed Supplement for increasing milk production	Vitamin A; Vitamin D3; Vitamin E; Biotin with essential Macro & trace Minerals; E6 Zinc (Heptahydrated Zinc Glycinate); E5 Manganese (Hydrated Manganese Glycinate); E4 Copper (Cupric Methionate); Bypass Fat; Rumen Protected Choline Chloride	Improved fertility, To overcome Anoestrus Silent heat & Repeat Breeding, Increase Milk yield Improved udder health, Prevention & control mastitis Improved hoof health	750 gms (Plastic Box)	1 x 12 pcs	390
6	PARTURAY POWDER	(dcaid mix) Prevent Pre & Post Parturition problems	Blend of exceptionally important nutrients for last Stages of pregnancy	Easy Parturition, Prevention of Hypocalcaemia, Better Udder development, Proper feed intake post calving, Benefits in milk fever & retained placenta, Feeding advice for Pregnant Cattles	1 kg (Plastic Pouch (20 x 50 gms))	1 X 12 Pcs	525
7	PIGGYRAY	(a unique blend of over 30 essential ingredients designed exclusively for pig nutrition)	Vitamin (A, D3, E, C, K3, B1, B2, B6, B12, Pantothenic Acid, Niacin, Folic Acid, Biotin & Coline) Minerals (Organic Zinc, Organic Copper, Organic Manganese, Chromium, Cobalt, Iodine, Selenium, Calcium Phosphorus & Sodium chloride Amino Acid (L-Lysine, Isoleucine, DL Methionine, L-Threonine & Tryptophan) Enzymes A unique multi-enzymes combination of five declare and quantified enzymes activities in dry form-(Xylanase, Cellulose Betagalcanase, Amylase and Protease Yeast	Boosts immune system, Enhances FCR, Reduces weaning stress, Maximizes vaccine and abiotic response, Improves reproductive performance, Ensures piglet survivability, Increase lean meat, Regulates parturition time. Converts food into energy and repair cellular damage, improves the pork quality	25 kg (Bag)	Loose	
8	RAYMIN FORTE POWDER	(Chelated mineral mixture) Chelated Mineral with Calcium, Phosphorus, Milk Boosting Vitamins, Chromium and Rumen Protected Choline Chloride	Each Kg Contains: Vitamin A; Vitamin D3; Vitamin E; Biotin; Calcium; Phosphorus; Copper; Cobalt; Magnesium; Iodine; Sulphur; Magnesium; Iodine; Sulphur; Choline Chloride (RPC); Sacchromyces Cerevisiae; Lactobacillus Sporogenes	Maintains overall health, Helps in Healthy Pregnancy, Improves Fertility and Milk Production	1 kg (Aluminium)	1 X 15 Pcs	220
					5 kg (Aluminium)	1 X 3 Pcs	950
					5 kg (Bucket)	1 X 2 Pcs	1050
					10 kg (Bucket)	Loose	1400
					20 kg (Bucket)	Loose	3160
					25 kg (Bucket)	Loose	4540
25 kg (Bag)	Loose						
9	RAYMIN GOLD POWDER	(premium quality premix) Chelated Mineral Requirement for DAIRY ANIMALS	Vitamin A; Vitamin D3; Vitamin E; Protein; Calcium; Phosphorus; Manganese; Nicotinamide; Copper; Cobalt; Iodine; Iron; Manganese; Selenium; Zinc; Sodium; Sulphur; Potassium, Shatavari, Ashwagandha; Jawanti; Tri Sodium Citrate; DL-Methione, Lysine; Sodium Acid Phosphate; Sacchromyces Cerevisiae	High Milk yield, Improved Fertility Healthy Calf, Better Health & Immunity Maximum Bio-availability of minerals	1 kg (Aluminium)	1 X 15 Pcs	320
10	REP SURE POWDER	(for maximizing reproductive performance) Vitamins & Trace Minerals supplements for Livestock	Calcium Lactate; Dextrose Monohydrate; Trisodium Citrate; Niacinamide; Glycine; Vitamin E; Vitamin C; Selenium; Sodium Chloride; Potassium Chloride; Manganese Chloride; Amino Nitrogen; Yeast; Phosphorus; Copper; Cobalt; Magnesium, Zinc, Iodine; Sulphur, Bio-Active Chromium; Choline Chloride; Sacchromyces Cerevisiae; Lactobacillus Sporogenes	Improves the reproductive performance, Improves fertility Improves A.I. Ratio, Improves conception rate Overcome repeat breeding & anoestrus condition Improves milk yield	300 gm (Plastic Pouch) (6 x 50 gms)	1 x 30 Pcs	550
11	RAY PRO POWDER	(rumino restorative & appetite stimulant) Promotes overall metabolism and assimilation of nutrients	Rumen protected Choline Chloride, Liver stimulant Biomolecules Yeast Extract, Silymarin	Indigestion, Anorexia, Ruminal Stasis Flatulence, Dyspepsia, Acidosis	250 gm (Plastic Pouch) (5 x 50 gms)	1 x 30 Pcs	300
12	UNIBOLITE	(gluconeogenic precursors nutritional feed supplement for large animals)	Gluconeogenic Precursors enriched with B-Complex Vitamins and minerals	Fulfills the high energy requirement immediately after parturation	500 ml (Plastic)	1 x 24 pcs	325
					1 liter (Plastic)	1 x 12 pcs	575
13	RAYGEL STRONG	(A comprehensive Nutritional Supplement for dairy cattle)	Ionic Calcium ++ ; Phosphorus; Vitamin D3; Vitamin B12 Magnesium; Potassium; Glucose; Niacinamide, Propylene Glycol	Prevent Milk Fever & associated complications, Increase the milk yield As an aid to favour normal uterine contraction, Normal calving & timely expulsion of placenta	300 gm (Plastic)	1 x 18 pcs	210
						1 x 25 pcs	210
						1 x 50 pcs	210
14	RAYVIT-H	(liquid feed concentrate for cattle and poultry) PROTECTION FROM UDDER TO HOOF	Vitamin A; Vitamin D3; Vitamin E; Vitamin H; Vitamin C Vitamin B12, Elemental Selenium	It should be given during pre & post vaccination stress; climate change; e backing deworming and transportation, Maintain overall health Helps in healthy pregnancy, Improves fertility and milk production	250 ml (Aluminium)	1 x 40 pcs	450
					500 ml (Aluminium)	1 x 23 pcs	675
					1 liter (Aluminium)	1 x 12 pcs	1200
15	UNIMAST POWDER	(mastitis therapy) Total Udder Health Care & Protection, Encapsulated molecules for Supportive Therapy in MASTITIS	Tri Sodium Citrate; Vitamin A; Vitamin D3; Vitamin E; Vitamin B2; Selenium; Niacin; Manganese; Copper; Potassium Iodide; Zinc; Amino Nitrogen; Live Yeast; Lactobacillus	Support in treatment of Mastitis, Regulates the pH of Udder Reduces the inflammation of Udder, Clears the debris from Udder Reduces the Somatic cell count thus helps in Quality milk production	250 gm (Aluminium) (5 x 50 gms)	1 x 40 pcs	400
16	UNIRAY ECFC POWDER	(Essential cattle feed concentrate) A complete Vitamins & Minerals Premix For DAIRY ANIMALS	Vitamin A; Vitamin D3; Vitamin E; Biotin; Zinc; Copper; Manganese; Cobalt; Iron; Iodine; Sulphur; Chromium (Blend of Chromium Tri Picolinate) Selenium (Homolanthionide Selenium) Magnesium Sodium Chloride	Growth of Reproductive Organs, Induction of heat, Development of immunity and maintenance of fertility Regularize reproductive cycle & increase conception rate. Prevents production failure related to Nutritional deficiencies Minerals and cattle vitamins play roles in many biological processes such as tissue formatio, energy metabolism, milk production and other basic metabolic functions	1 kg (Aluminium)	1 X 15 Pcs	760
17	UNICALF POWDER		Vitamin (A, D3, E, C, K3, B1, B2, B3, B12, Folic Acid, Pantothenic Acid, Biotin, & Choline), Minerals (Organic Zinc, Organic Copper, Organic Manganese, Cobalt, Iron, Iodine, Selenium, Calcium, Phosphorus) & Calcium Butyrate in complete doses	Improves growth rate calves, Proper Papillae formation Less Chances of Diarrhoea, Early Weaning, Improves Immunity	1 kg (Bucket)	1 x 12 pcs	366
					2 kg (Bucket)	1 x 8 pcs	625
18	UNICOOL	(high concentrated anti stress & immune booster)	Calcium Lactate; Dextrose Monohydrate; Tri sodium citrate; Niacinamide; Glycine; Vitamin E; Vitamin C; Selenium; Sodium Chloride; Potassium Chloride; Manganese Chloride; Amino Nitrogen; Yeast Extract	Heat Stroke, Dehydration, Imbalanced Ruminal Ph Electrolyte Imbalance due to poisoning, Diarrhoea, Coccidiosis Hypocalcemia, Alterness, Weather stress, Enhance working capacity	500 ml (Plastic)	1 x 24 pcs	175
					1 liter (Plastic)	1 x 12 pcs	300
					5 liter (Plastic)	1 x 2 pcs	1000
19	UNIPLEX	(feed supplement of amino acids and b-complex for poultry small animals & Livestock Enriched with betaine, cobalt and iron	Vitamin B1; Vitamin B2; Vitamin B6; Vitamin B12; Biotin; Calcium Pantothenate; Niacin; Choline Chloride Methionine; Lysine; Betaine; Cobalt; Iron		1 liter (Plastic)	1 x 12 pcs	415
20	UNI-SORB	(adsorbent anti diarrheal suspension for toxic overload in all classes of animals	Activated Charcoal; Toxin adsorbing Alumino Silicates in palatable base	Toxic Enteritis, Grain overload, Digestive disturbance toxemia Better Udder Development	250 ml (Plastic)	1 x 28 pcs	180

INJECTIONS

SN	PRODUCT NAME	SPECIFICATIONS	INGREDIENTS	BENEFITS	PACKING	SHIPPER	MRP
21	UNIRAY MOX-S (WITH TRAY+WFI+MONO)	Efficacy against wide range of Gram+ve & gram -ve organism Irreversible inhibitor of the enzyme beta lactamase	AMOXYCILLIN 3 GM+SULBACTAM 1.5 GM	Action: bacillosis, Cystitis, Bronchopneumonia, Postoperative Treatment, Nephritis, Endometritis, Metritis, Septicemia, Hemorrhagic	4.5 GM	NA	330
22	UNICEFT-S (WITH TRAY+WFI+MONO)	Relieve cattle from gripping infections	CEFTRIAZONE-3 GM & SULBACTAM-1.5 GM	Pneumonia, Mastitis, Bacterial Meningitis, Haemorrhagic Septicaemia, Endometritis, Pre-surgical prophylaxis	4.5 GM	NA	320
23	UNICEFT 3 GM (WITH TRAY+WFI+MONO)		CEFTRIAZONE-3 GM		3 GM	NA	220
24	VETLOX-P	In pain, fever & inflammation	MELOXICAM-5 MG & PARACETAMOL-150 MG	Pyrexia of varied etiology, acute/chronic pain & inflammation, muscular/joint pain, immobility associated with lameness, neuralgia/neuritis, sprains/strains	100 ML	NA	
25	RAYMEC	Remove infestation of Parasites in G.I.T	IVERMECTIN-10 MG, BENZYL ALCOHOL-1.5% V/V	Beneficial in Lung worms, grubs, sucking lice, mites and gastrointestinal worms	100 ML	NA
